Karen Bridger is our star HaKIT Volunteer

Karen has been volunteering at HaKIT since 2007. After completing courses herself and winning Brighton and Hove's learner of the year in 2009, she began volunteering at the daytime drop-ins, and loved every minute. She wanted to do more for the residents of Hangleton & Knoll so has been running her own Drop-in for several years. Karen was also the well deserving and first winner of HKP Volunteer of the Year in 2012. You can find Karen in the HaKIT room 3-5pm every Wednesday.

This is what Karen had to say about working with HaKIT learners: " I like being able to help others, I get a lot from it and I feel good, and I don't lose what I have learnt so I win "

David Purkiss is our Qualified Drop-in Tutor

David has been running our HaKIT daytime drop-ins since 2005. The daytime drop-ins are busy and popular and there is always room for new people; David is a qualified IT Tutor and is there to help residents of all abilities. This is a friendly and informal space for everybody to learn at their own pace. You can find David in the HaKIT room on Wednesdays 10-12; 1-3 and Fridays 10-1.

This is what David had to say about working with HaKIT learners:

"It's great to be able to assist so many people in the HaKIT computer drop-ins with IT topics that include using the Internet, Facebook, Email, Job searches, online shopping and more... I really enjoy seeing people I work with become more confident with computers, achieve their goals and in some cases even become volunteers with HaKIT"
