Welcome to the Hangleton & Knoll Community guide.

This booklet has been developed by the Hangleton and Knoll Community Action Group supported by the Hangleton and Knoll Project and Brighton & Hove City Council in response to a community priority to develop communications across the neighbourhood.

This priority forms part of the Neighbourhood Action Plan.

You can view the Neighbourhood Action Plan for Hangleton and Knoll at www.brighton-hove.gov.uk/hangleton-knoll-nap

Led by the Hangleton & Knoll Project, the Neighbourhood Action Plan (NAP) shows the key priorities for the community and the council for the Hangleton & Knoll area. It has been agreed through a consultation process with all interested parties and is a working document that will change and develop as opportunities arise.

This NAP aims to fulfil the commitment within the Brighton & Hove Collaboration Framework working collaboratively to improve and develop Hangleton & Knoll.
